

Do you know how to use a condom?

Yes? Maybe? No?

Steps:

1. Store in a cool dry place (NOT in your wallet).
2. Check expiration date on wrapper.
3. Check to see if you can feel a pocket of air before opening wrapper
4. Open the wrapper carefully (do not use your teeth for risk of ripping the condom).
5. If you are not circumsized role back the foreskin before putting on the condom.
6. Make sure you role down condom the right way and not inside out
7. First pinch the tip of the condom to remove air then while holding the tip role down the condom all the way to the base of the penis
8. After ejaculation withdraw while having firm grip on base of the condom
9. Make sure there is no tares in the condom.
10. Do not flush your condom in a toliet. Tie a knot and dispose of condom in the garbage
